

The Eagle

February 2025

St. Paul Lutheran School exists to educate and support the whole child through an excellent Christ-centered education, nurture our school families with God's Word, guide them in applying their faith to their lives, and encourage them to joyfully share the good news of salvation with the world. Proverbs 22:6 - "Start children off on the way they should go, and even when they are old they will not turn from it."

Mission Statement

St. Paul Lutheran School exists to educate and support the whole child through an excellent Christ-centered education, nurture our school families with God's Word, guide them in applying their faith to their lives, and encourage them to joyfully share the good news of salvation with the world. Proverbs 22:6 - "Start children off on the way they should go, and even when they are old they will not turn from it."

From Your Principal

This month, we are reflecting on the theme "Rejoice in God's Power," a reminder of the incredible ways God's strength sustains and blesses us daily. His power is seen in the Bible's grand miracles and personal moments—the strength to face challenges, the peace that calms our hearts, and the growth we see in ourselves and others. At school, we witness God's power in our students' academic and spiritual growth, our teachers' dedication, and your love and support. Philippians 4:13 reminds us, "I can do all things through Christ who strengthens me." This truth calls us to rely on God's strength in all circumstances and to rejoice in His power working through us. Let's celebrate the victories He has brought us, the resilience He provides, and the ways He continues to guide us. Together, may we find joy in knowing that the Creator of the universe is personally involved in our lives, shaping us for His purpose.

School News

Wisconsin Parental Choice Program

The Wisconsin Parental Choice Program (WPCP) application window will be open from February 3 to April 17, 2025. This program provides qualified families with a voucher that covers 100% of tuition costs!

To learn more and determine your family's eligibility, visit our website, where you'll find detailed information and a link to the Choice Portal: <https://dpi.wi.gov/choice>. Students enrolled in 3K, 4K, or 5K may qualify for a voucher next year. Families participating in the program must re-enroll annually and submit proof of residency. Proof of residency can be delivered to the Main Office or emailed to registration@stpaulgreenbay.com. If you have questions, please contact Mr. Miller in the main office.

Athletics

We will recognize 8th-grade girl basketball players on Wednesday, Jan 29. This is an added game to the schedule, only A-teams play. We will recognize 8th-grade boys basketball and cheer students on Jan 31.

Some essential dates looking into February

- The B-team tournament at Martin Luther, Oshkosh, is on Feb 8.
- The cheer competition at FVL is on Feb 20.
- The A-team tournament at FVL is from Feb 22 to 23.
 - This is our sabbatical year for the tournament, no duties.

(Visit our Fox Valley WELS Athletic League website fvwal.org to learn more.)

Junior Choir

We sing on February 9th in the late service. We will warm up in my classroom at 10:10.

Technology

We are looking for parental involvement as we look at possible parent and school systems. These could concern the lunch programs, communication, and online grade books. If you are not a "techy" person, we are even more interested in your opinions and would love to have you involved. Just contact me with your interest. Thanks jared.brennan@stpaulgreenbay.com.

Spring Musical: Frozen

Thank you to everyone who could join us for the informational meeting. If you cannot attend the meeting but would still like to be a part of the team, please contact Mrs. Plitzuweit asap. Cast auditions are scheduled for February 4-5. A specific schedule will be shared with those specific students' student and family emails. You can expect the cast list to be determined and shared by February 10. Rehearsals begin Monday, February 24. You can find the props list [here](#). I am still looking for a seamstress to help with a costume alteration. Thanks to everyone for your help and support!

School Handbook

On Tuesday, February 4, at 5:00 PM, the Board of Christian Education will discuss the 2025-2026 School Handbook in our conference room. The Board will review updates and vote on the handbook during their meeting on February 11. Please note that some dates, such as singing and worship schedules for the 2025 school year, may remain tentative until the handbook is finalized and printed this summer. Additionally, School Supply Lists will be updated before the final version is printed in June. If you have any questions or concerns regarding the draft handbook, please contact Brian Zwieg at education@stpaulgreenbay.com.

PTO

Beat the crowds and have an early Valentine's dinner on February 12 at Texas Roadhouse. 10% of total food sales will go to help support our school. Our next meeting will be Monday, February 10th, at 6 pm. Everyone is invited to join us, and childcare will be provided.

Pepfest

Our annual Pepfest will be held on Thursday, February 20th, at 2:30 pm. Don't miss this opportunity to see your principal engulfed in Silly String.

Classroom News

7 & 8 - Mr. Brennan

We are looking forward to an opportunity to visit the Mulva Cultural Center in February. We may need volunteer drivers. Be looking for a message or letter home concerning this possible field trip. We are waiting for the Mulva Center to finalize their event times before we can set the date.

6 - Mr. Jammer

Thank you to our chaperones/drivers for our field trip to the Barlow Planetarium. Grades 5&6 sing at the 7:30 pm Prayer at the Close of Day service on Wednesday, February 5. Looking ahead, we also sing at Messiah on Sunday, March 2 (9:30 am) and here at St. Paul on Sunday, March 9 (8:00 am). Thank you to Mr. Schaeve for being our guest art instructor for the start of the 3rd Quarter.

5 - Mr. Wellhoefer

Grades 5-6 will sing during the Prayer at the Close of the Day service on Wednesday, February 5, at 7:30 p.m. As a reminder, students can bring one stick of chapstick and one mini bottle of hand sanitizer to school; however, extra lip gloss, scented hand sanitizers, mini toys, and other non-essential items have become distractions and should be kept at home. In class, students finish their persuasive essays on *The Adventures of Don Quixote*, showcasing their creativity and critical thinking skills!

4 - Ms. Van Calster

As we are wrapping up our student inventor unit in ELA, I hope your students have been sharing all the fun activities they have been doing! We incorporated how we SOAR while completing all the different challenges. In science, we started our unit on magnets and will combine magnets with electricity next! In math, I supplied a multiplication table, but we should still be reviewing our facts. Our next unit is on fractions. We have a couple of field trips coming up. Watch for messages coming with more information about them.

3 - Mrs. Malme

The month of February brings many new opportunities for learning! In science, we're exploring patterns of motion and how to make things go. In math, we'll be starting work with fractions. We will continue our study of light, sound, and adverbs in ELA along with keeping our new schedule of a spelling test each Friday. Keep an eye out for information coming home about our classroom Valentine's celebration and our field trip later this month.

2 - Mrs. Bakeberg

This month has several fun learning days to brighten up our winter! We will celebrate the 100th day of school; we've been counting the days all year! We will have a Valentine's party on Feb. 12th in the afternoon. There is no need to send food this time; we'll trade valentines and play a game. We sing in church on February 2nd in the 10:30 service. We're busy practicing our Pajama Party musical, and enjoying every minute of it! Besides all the fun, we're learning about presidents, solids and liquids, more subtraction strategies, and sharpening our phonics skills.

1 - Ms. Koenig

February is here, with many fun activities in the classroom! We will be celebrating the 100th day of school and Valentine's Day. Also, first and second grade will be singing on Sunday, Feb. 2nd at the 10:30 am service. Please let me know if your child is unable to attend. First grade will continue to study light in science, personal narratives in writing, and frontier exploration in social studies. The first graders enjoy learning the songs for their musical, "Pajama Party," which will be performed on Friday, March 7th.

K - Mrs. Jammer

February has us celebrating the 100th day of school and Valentine's Day. Also, 3K-5K will sing in church on Sunday, February 23, at St. Paul or Messiah. We will be asking your preference. Our class is excited to learn how to play "Hickory Dickory Dock" on bells and boomwhackers for the pre-show entertainment for the grades 1-2 musical on Friday, March 7. New topics to study this month are Investigating Fabrics, Seasons and Weather, Columbus and the Pilgrims, and composing and decomposing numbers 11-19.

3K & 4K - Mrs. Zabell & Mrs. Nelson

This month our BASIC groups will work together on a service project for Bay Area Life Center. If you'd like to **donate diapers** (sizes 4, 5, 6) toward that project (or money for diapers), please send your donation to school by January 31. The Center is also requesting clothes in sizes 2T-5T. It will be great for your kids to be able to show God's love by helping with this project! Our next date for **singing in church** is February 23. You will have the option of the 8:00 service at St. Paul or the 9:30 service at Messiah Lutheran Church. Watch for that survey next week. Be sure to highlight **Friday, March 7**, on your calendar, as our classes will provide **entertainment** before the 1st and 2nd grade musical that night.
